## SECTION I: GENERAL INFORMATION

### A. GENERAL INFORMATION

Under the Workforce Innovation and Opportunity Act (WIOA), a full Request for Proposals (RFP) is required at least once every four years to procure programs and services. Therefore, if in year one an RFP is used, then with the approval of the WDB, years two through four programs and services can be procured under the more limited Request for Refunding (RFR) process.

The RFR is used to continue to fund existing programs and services that are still needed and are successfully meeting their contracted goals.

On January 18, 2023, Employers' Training Resource (ETR) issued RFPs seeking qualified providers of comprehensive services for WIOA ISY attending Community, Court, or Continuation school for PY 2023-2024 for the County of Kern. ETR is the grant recipient and administrative entity for the Kern, Inyo and Mono Counties Workforce Development Area (WDA). At its February 7, 2024 meeting, the WDB authorized the issuance of an RFR to procure comprehensive services for WIOA ISY for PY 2024-2025 (July 1, 2024 through June 30, 2025), and the RFR is limited to currently funded providers.

This is the first RFR issued from the initial PY 2023-2024 RFPs.

Only currently funded programs for Comprehensive Services to ISY are eligible to apply.

### B. PROGRAM YEAR 2024-2025 FUNDING

Recommended funding to individual agencies may be based on total funding levels, performance, successful expenditure of previous funding, compliance with previous and current WIOA requirements, local workforce development needs, economic conditions, and other factors and are subject to further negotiations.

ETR has not yet received PY 2024-2025 Workforce Innovation and Opportunity Act (WIOA) Youth funding allocations from the United States Department of Labor (DOL) and the State of California. Funding levels for 2024-2025 are not yet known. For the current Program Year 2023-24, our WDA received an overall reduction in funding, and this may occur again for the upcoming year. As a result, agencies are advised to request funding at the same level as or lower than the current year. ETR reserves the right to make changes to funding awards once WIOA allocations are received.

### C. PROGRAMS AND SERVICES ALLOWABLE UNDER THIS RFR

This RFR is limited to current providers of Comprehensive Services for ISY attending Community, Court, or Continuation school, to continue their current programs. These programs target youth ages 14-21 who have one or more of the following barriers to employment: basic skills deficient; disabled; English language learner; school dropout; homeless, runaway or foster child; pregnant or parenting; offender; or low-income individuals who require additional assistance to secure or hold employment.

Current providers are:

- Kern County Superintendent of Schools
- Kern High School District

Our WDA must make available (either directly or via referral) the full array of the 14 Elements of Service to Youth under WIOA. Work Experience and Follow-Up services are mandatory, and Work Experience expenditures must account for at least 20% of the overall program budget. All services indicated on the participant's Individual Service Strategy (ISS) must be made available either directly or via partnership with other public or private agencies. Outreach and recruitment is the responsibility

2024-25 ISY RFR Section I: General Information  
of the provider. Eligibility determination/intake will be conducted by ETR staff in cooperation with the provider unless an exception is made. Providers are responsible for Case Management of participants including updating the ISS as the participants complete services or their needs/goals change, and maintaining case notes sufficient to document activities on a at least a monthly basis. Providers must also ensure that appropriate and correct WIOA Youth Activity Codes are opened and closed for each youth.

It is expected that providers will contribute toward meeting the WDA's performance goals.

#### **D. REQUEST FOR REFUNDING PROCESS**

It is expected that subgrant agreements for PY 2024-2025 will include the same terms and conditions as the current subgrant agreements. As always, some sections may be updated to comply with federal, state, and/or county requirements and WDB policies. Policy changes for PY 2024-2025 may dictate changes in program design. Your agency will be notified if any changes are necessary.

If, for any reason, your agency wishes to discontinue services for PY 2024-2025, please notify ETR immediately.

Funding recommendations are scheduled to be presented to the WDB's Youth Committee on April 10, 2024, at 3:00 p.m. and to the WDB on May 1, 2024, at 7:00 a.m. Recommendation will then be ratified by the Kern County Board of Supervisors, and contracts will be issued.

#### G. GENERAL RESERVATIONS

- ETR reserves the right to cancel in part or in its entirety this RFR, if it is in the best interest of ETR to do so.
- ETR reserves the right to extend the submission deadline. In the event the deadline is extended, agencies will be notified in advance and have the right to revise their applications. Applications may be withdrawn by written request of the authorized signatory on the applicant's letterhead at any time before the deadline.
- ETR makes no representation that any contract will be awarded to any applicant responding to this RFR.
- ETR reserves the right to request additional information or documentation. Unclear, incomplete, and/or inaccurate applications may not be considered for refunding.
- ETR reserves the right to verify all information in the application. Falsification of any information will result in disqualification.
- ETR reserves the right to reject any or all applications that are not responsive to the specifications of this RFR.

- If approved for refunding, contracts may be negotiated, and contracts may contain additional terms or terms different from the current contract.
- Funding levels for requested programs are contingent upon final allocations. If funding is reduced or increased, ETR reserves the right to renegotiate subcontracts funded through this RFR process.
- Funded service providers shall be subject to all applicable Federal, State, and local WDB policies and regulations.

#### **H. APPLICATION REVIEW**

Refunding applications will be reviewed to determine if the proposed program meets local workforce needs and the priorities for funding described above; that contractual obligations and performance goals for the current program year (PY 2023-2024) are being met or changes justified, that staffing levels and qualifications are appropriate, that costs are necessary and reasonable, and that the program aligns with the WDA's Local and Regional Plans.

Substantive changes in program design may result in additional scrutiny such as review by the WDB as well as a request for a more detailed application.

#### **I. CONTRACT TERM**

The funding period for this RFR is July 1, 2024, through June 30, 2025, and is governed under the RFP dated January 18, 2023. This is the first year of refunding allowed under the local WDB policy. ETR reserves the right to modify the scope of any program to any extent necessary to ensure compliance with State and/or Federal guidelines.

#### **J. APPEALS PROCESS**

When a proposal is **not recommended** to the WDB for refunding, and the agency can show that the application did not receive due consideration or that other irregularities existed, the agency may appeal the recommendation to the WDB. The appeal must be in writing and submitted to ETR's Chief Workforce Development Officer no later than five (5) business days after the Kern, Inyo, and Mono Counties Workforce Development Board (WDB) meeting at which the funding recommendations were approved. An ETR "Appeal Request Form" must accompany all appeal requests. Specific reasons for the appeal must be included and should address, and be limited to the issues of due consideration and/or irregularities of process as noted above.

ETR's Chief Workforce Development Officer will forward all appeals to the Executive Committee of the WDB. The Executive Committee will be responsible for reviewing applications, evaluation forms, or other related information to determine if the grounds for the appeal are substantiated. This Committee will have authority to reconsider funding recommendations if warranted. Additional materials not included with the original appeal may not be introduced at the Appeals Meeting and a maximum of two (2) representatives of the agency will be allowed to present their arguments, which must be limited to the issues of due consideration and/or irregularities of process as described above. Decisions of the Executive Committee are final. A decision of the Executive Committee will be made and transmitted to the agency and the WDB no later than three weeks (or 15 business days) after the deadline to submit appeals. The County of Kern Board of Supervisors will be notified of final funding recommendations.

#### **K. MONITORING REQUIREMENTS**

ETR will conduct a monitoring review of all contracts at least once each program year. Unresolved previous monitoring findings may result in a contract not being awarded or may delay the release of funds until all findings are closed.

- A. By signing and submitting this proposal, the prospective recipient of federal assistance funds is providing the certification as set out below.
  - B. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
  - C. The prospective recipient of federal assistance funds shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective recipient of federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
  - D. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the definitions and coverage sections of rules implementing Executive Order 12549. Contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but it is not required to, check the Award Management (SAM) for an entity listed as an excluded party at: <https://sam.gov/search>

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
  - I. Except for transactions authorized under paragraph E of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the DOL may pursue available remedies, including suspension and/or debarment.
